

Kiiltomelt 1519 sininen

Kiiltomelt 1519 blue is an EVAC based hot melt adhesive for the paper and packaging industry.

- Elastic
- Ideal for thin paper

AREA OF APPLICATION

Kiiltomelt 1519 blue is suitable for gluing of paper, carton and corrugated cardboard. In paper roll packing, Kiiltomelt 1519 blue reduces sheet breaks in the initial bonding stage. All components of the adhesive comply with the food packaging regulation FDA 175.105.

INSTRUCTIONS FOR USE

Suitable application methods are by nozzle, disc and transfer arm.

ADDITIONAL INFORMATION

The information given in this product data sheet is based on our tests and our practical knowledge. The technical data is defined in standard conditions. Variations in local working conditions will affect the product performance and result. The result is also strongly affected by working methods. We guarantee the high quality of our products according to our Quality Management System. No liability can be accepted from incorrect use of the product or prevailing conditions, over which we have no control. Thus, we cannot be held responsible for the final result. The user of the product must test product's suitability to the intended application.

ENVIRONMENT AND SAFETY

Avoid unnecessary skin contact and exposure with the fresh product, use safety gloves. Refer to material safety data sheet. For information on product and package disposal, visit www.kiilto.com.

COLORS	blue
SOFTENING POINT	84 °C
VISCOSITY	2000 mPas, 160 °C, 100 s ⁻¹
OPEN TIME	medium long
APPLICATION TEMPERATURE	150–180 °C
PACKAGE SIZES	10 kg, 500 kg
STORAGE	In unopened containers, at max. +40 °C, for 36 months.
