Product description

"KIILTO FIREPROOF 10"

is an inorganic non-combustible adhesive with nominal density of 1500 kg/m³.
Kiilto Fireproof 10 may also include Kiilto FP Hardener with a mixing ratio of 100:2 weights parts.

Applications/Limitations

The product may be used as an integrated part of approved fire resisting divisions only when tested as such.

Each product is to be supplied with its manual for installation and use.

Type Examination documentation

Test Report No. RTE258/05 dated 25 January 2005 from VTT, Finland.

Test Report No. 061-13TMKiilto dated 21 November 2013 from TÜV EESTI OÜ Test Laboratory, Estonia.
(Test for Kiilto Fireproof 10 with Kiilto FP Hardener)

Tests carried out

Tested according to IMO FTPC Part 1 and in compliance with IMO 2010 FTP Code Ch. 8 (Kiilto Fireproof 10)

Tested according to IMO 2010 FTP Code part 1 (Kiilto Fireproof 10 with Kiilto FP Hardener).

Marking of product

The packing is to be marked with name of manufacturer, type designation, Mark of Conformity and USCG approval if applicable (see below).

Mark of Conformity

The manufacturer is allowed to affix the Mark of Conformity according to Article 11 in the Council Directive 96/98/EC on Marine Equipment and shall issue a Declaration of Conformity, only when the module D or E or F of Annex B in the same directive is fully complied with.

Module D: The quality system for production and testing shall be approved by the Notified Body.

Module E: The quality system for inspection and testing shall be approved by the Notified Body.

Module F: Compliance of the products to type as described in this EC Type-Examination Certificate must be verified by the Notified Body who also shall issue a of Certificate Conformity.

USCG Approval

An U.S. Coast Guard approval number will be assigned to the equipment when the production module has been completed and will appear on the production module certificate (module D, E or F), as allowed by the "Agreement between the United States of America and the EEA EFTA states on the mutual recognition of certificates of conformity for marine equipment" signed 17 October 2005.
